What is my cost basis?

We were not required by the IRS to calculate cost basis on non-covered shares, which is what the majority of InvenTrust's shares are considered. To download a list of our distribution allocations since inception, please go to <https://www.inventrustproperties.com/investor-relations/dividend-tax-allocation/>. This document should be able to assist you in calculating an estimate of your cost basis.

For any reinvested shares that are considered covered, cost basis information will be available through Computershare's Investor Center or Advisor Portal.

This information does not constitute tax advice. Shareholders should consult a qualified tax advisor for any specific questions related to their specific tax treatment.
